### A WISE CHOICE FOR ADVERTISERS

Wise marketers understand that if they want an audience to pay attention to a particular message, businesses need to utilize a medium that the audience prefers and uses frequently. There is only one medium that reaches every lawyer in the state of Wyoming - the *Wyoming Lawyer*.

### OVERVIEW

*Wyoming Lawyer* is the official publication of the Wyoming State Bar. It is a full-color, glossy magazine that is mailed six times per year to every lawyer licensed to practice law in Wyoming. The circulation of the print magazine is approximately **3,900**.

### DIGITAL EDITION

To help advertisers get more from their advertising investment, *Wyoming Lawyer* offers an enhanced digital edition of the magazine. The digital edition is available free of charge to anyone who visits the Bar's website. This only increases readership among audience segments who do not regularly receive or subscribe to the magazine, such as employees of law firms and court personnel.

**Another benefit** of the digital edition is all ads are interactive with hotlinks to the advertiser's website and/or e-mail addresses at **NO ADDITIONAL CHARGE!**
