

Modest Means Program Application

The Modest Means Program (MMP) is a reduced fee referral program designed to help fill the gap by making legal services accessible to lower and moderate income people who are ineligible for legal aid. As a participating attorney, you pay nothing to receive referrals from the program; however, you would agree to charge the client no more than a \$500 retainer and \$75 per hour. Filing fees and other out-of-pocket costs would be paid by the client.
