

## STANDARD VISITATION SCHEDULE

Second Judicial District Court of Wyoming – Carbon County

1. **General Governing Conditions.** The following priority system will control:
  - (A) This standard visitation schedule is intended to be the minimum amount of visitation time for the non-custodial parent. When the parents can agree upon additional or different visitation than that set forth here, such alternate visitation will take precedence, but only for so long as the parents continue to agree upon the alternate visitation.
  - (B) Whenever a school holiday period is referred to herein, it means the child(ren)'s actual holiday or vacation period when they are in school. If the child(ren) is not in school, the period will be the school vacation or holiday period as used by the schools in the school system where the child(ren) resides with the custodial parent.
  - (C) Holiday visitation for either parent will have precedence over weekend visitation, but will not otherwise modify the visitation schedule. (For example, if the holiday granted in any particular year to the non-custodial parent falls between alternating weekend visitations, then the non-custodial parent will have visitation for three (3) weekends in a row.)
  - (D) Holiday visitation for either parent will take precedence over summer visitation periods, but will not otherwise modify the visitation schedule.
